PART IV., "WATER CLAUSES CONSOLIDATION ACT, 1897."

1. This is to certify that the Pacific Coast Power Company, Limited, a specially incorporated Company within the meaning of Part IV., of the "Water Clauses Consolidation Act, 1897," registered on the 18th day of September, 1899, has submitted its undertaking to the Lieutenant-Governor in Council for approval, which said undertaking, as shown by the documents and plan filed with the undersigned, is as follows:—To construct a dam across Powell River in New Westminster District, at a suitable point above the falls, and to convey the water thence by means of a flume, ditch, or tunnel from the said dam to the place on the sea coast where the water is to be used for the development of power, and to operate the same by the use of forty-eight thousand (48,000) inches of water from the said Powell River, recorded by the Company for the purpose of developing power and disposing of such power to industries and other undertakings which may be established in the vicinity, and that the said undertaking as so submitted has been approved; provided that the said Company shall submit to and obey any and all orders or regulations which shall be made by the Lieutenant-Governor in Council, by Order in Council, having reference to such provisions as the Lieutenant-Governor in Council shall deem reasonable with respect to the transporting of logs, timber, or lumber from the point in Powell River where the said Company's dam shall be erected to salt water.

2. And this is further to certify that the amount of the capital of the said Company, which shall be duly subscribed before the said Company commences the construction of that portion of its undertaking in the preceding paragraph described, or exercises any of the powers of the "Water Clauses Consolidation Act, 1897," Part IV., in that behalf, is hereby fixed at the sum of $50,000.

3. And this is further to certify that the time within which such capital is to be subscribed is fixed at three months from the date hereof, and the time within which such undertaking and works are to be commenced is fixed at nine months from the date hereof, and the date by which such works shall be in operation is fixed at two years and six months from the date hereof.

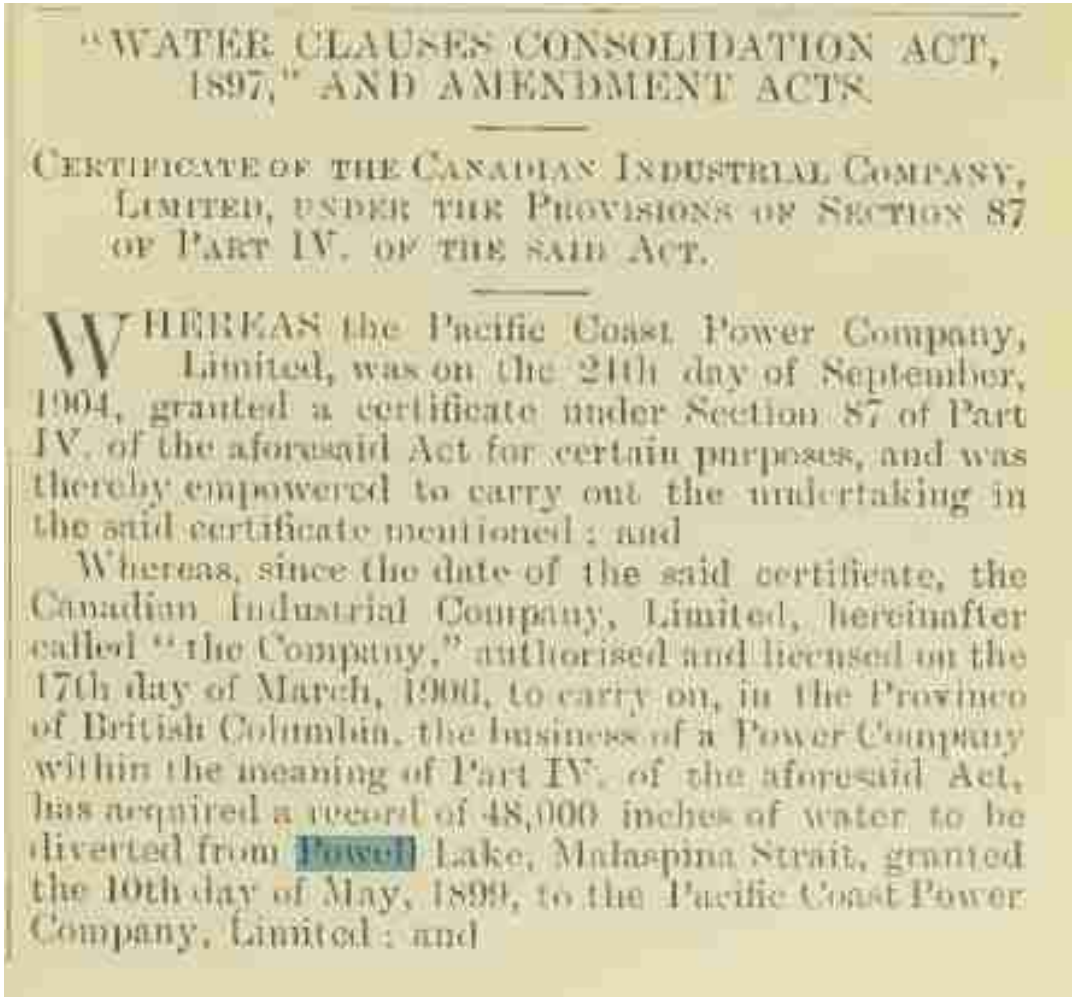

Dated this 2nd day of October, 1899.
