iller.

ken island, Johnson straits; light and fog alarm on Egg island, Queen Charlotte sound, light on Turn point, junction of main passage and Seaforth channel; and light on Ivory point, Millbank sound.

Other requirements, of a less urgent character, are: Light on Bare point, Chemainus; light on Jessie island, Departure bay; light on Grief point, Malaspina straits; light and bell, Pultenay point, Malcolm island; light on Gordon group at New and Goletas channels; light on Pointer island, Fitzbough sound; light on Green Top and Lawyer islands; light on Birnie island, Port Simpson.

In this connection, Hon. B. W. Pearce expressed himself as of the opinion that a lighthouse board should be appointed
