To all to whom these presents shall come, Greeting:

Know ye, that We do by these presents, for US, Our heirs and successors, in consideration of the fulfilment of the conditions of the laws providing for the acquisition of minerals other than coal and petroleum give and grant unto Albert J. Milner and Bernard J. Jobin their heirs

and assigns, all minerals, precious and base (save coal and petroleum) which may be found in veins, lodes or rock in place, and whether such minerals are found separately or in combination with each other, under that Parcel or Lot of Land situate in Texada Island New Westminster District, and numbered Lot one hundred and eighty seven (187) on the Official Plan or Survey of the said Texada Island New Westminster District, and known as the "X Ray" Mineral Claim, and the right to the use and possession of the surface of such mineral claim, including the use of all the timber thereon for the purpose of winning and getting from and out of such claim the minerals contained therein, including all operations connected therewith or with the business of mining. PROVIDED, also, that it shall be lawful for Us, Our heirs and successors, or for any person by Our authority, to open up and use any portion of the said mineral claim (not exceeding one-twentieth part) for making roads, canals, bridges, towing-paths, or other works of public utility or convenience; but no portion of said claim shall be so opened up and used upon which any permanent buildings have been erected.
