Sir,-

I have the honor to enclose herewith the British Columbia Mills, Timber & Trading Company's cheque for the sum of $200, in payment of rent of lease on the Sliammon Indian Reserve for two years, from January 8th, 1905 to January 8th, 1907, also rent return, in duplicate, in support of same.

The Company's camp at Sliammon was partly destroyed by fire in the Summer of 1904, and their plant was then moved away from there.

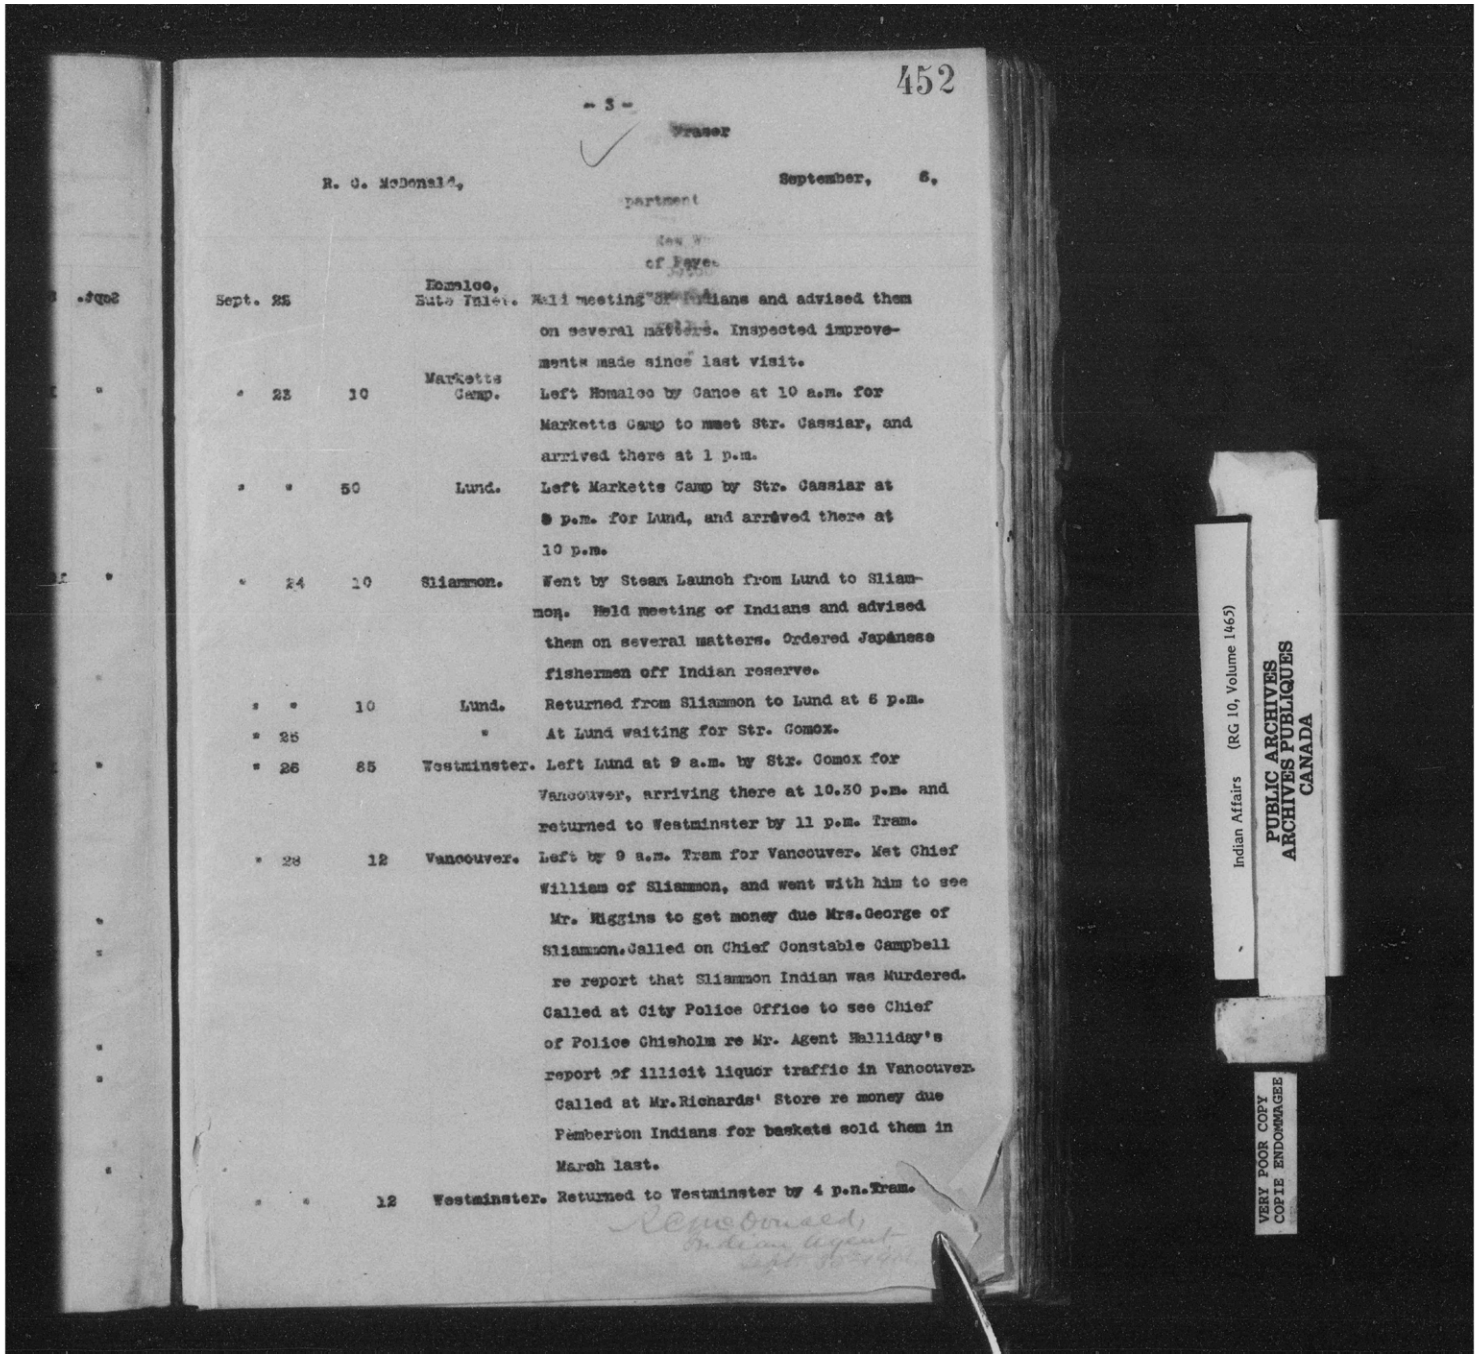

When the rent for 1905 was due, and a demand made for payment of same, I was informed that the Company did not expect to again use the privileges granted them on the reserve. This will explain why the rent was not paid in January, 1905, as it should have been.

I have the honor to be,
Sir,
Your obedient servant,
R. McDonald
Indian Agent.

Dear Sir,-

Harry and Mrs. Charley of Klahoose, who live on the Ahpoeum Indian reserve complained to me that you are endeavoring to drive them off their reserve, and I have to advise you that you have no right to do so, as this reserve belongs to the Klahoose band, and you belonging to the Sliammon band have no right to interfere with them. I therefore trust that you will give these people no further trouble in this connection.

Yours truly,

Lund P.O., B.C.

Dear Sir.-

When I was at Sliammon Indian reserve a short time ago, I ordered you to remove your buildings from off the Sliammon Indian reserve, as you are committing a trespass by having placed them there, and I am to-day in receipt of a letter from the Sliammon Indians stating that you are still on the reserve and refuse to leave there.. If you do not at once remove from the reserve, I will be obliged to take action in the matter, and seize and sell whatever effects I may find on the reserve belonging to you. If you will recollect, I explained the law to you in connection with trespassing on Indian reserves, and the penalty for such offense; and, if you now get into trouble in connection with the offense you have committed, you will have only yourself to blame.

Yours truly,
Indian Agent.

Dear Chief.-

I am in receipt of a letter from William in which he states that George Charley's mother refuses to hand over to the widow and children of the late George Charley the tools &c., which belonged to the deceased at the time of his death, and I have to request that you will be good enough to see that these tools &c., are given into the possession of the said widow and children, as they belong to her and not to [illegible]'s mother, who has no right whatever to them.

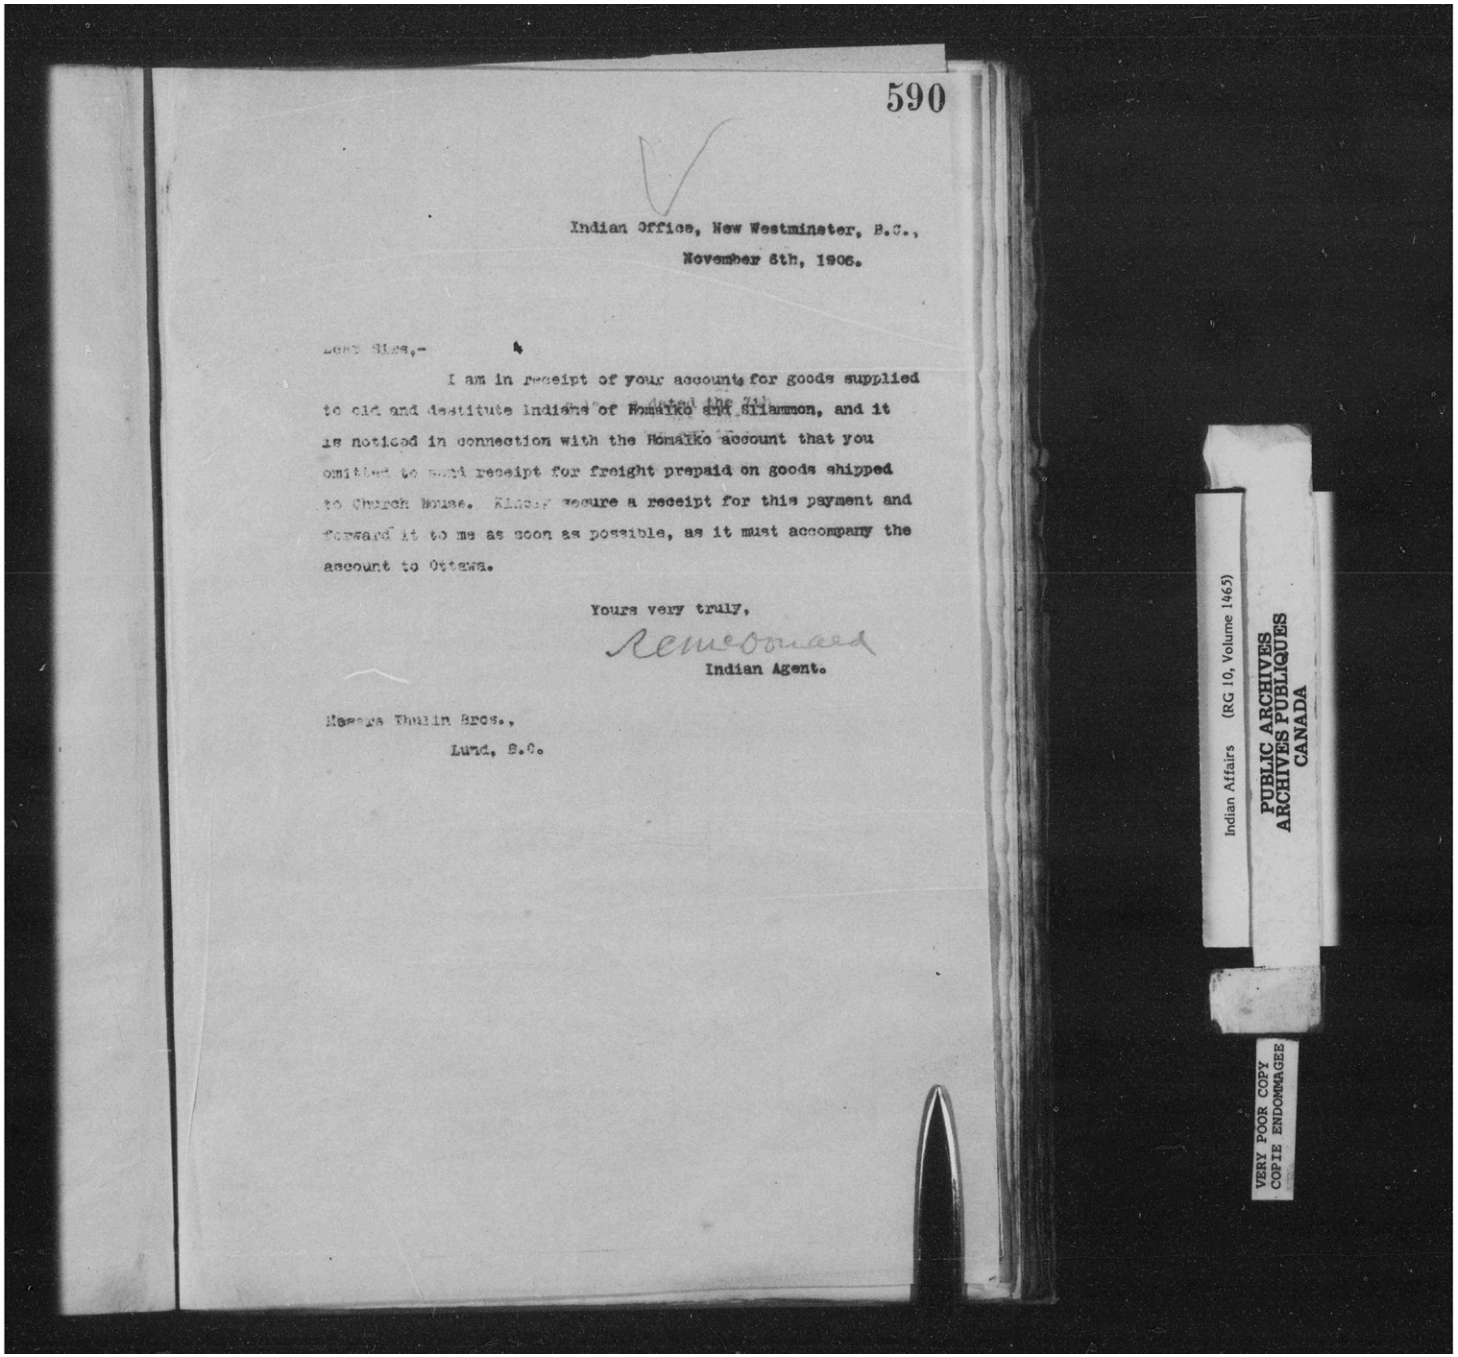

Yours truly,
